

Making A CCR-Connection

The Credit Leaders .Network provides an important new way to make new industry contacts – online friends and contacts that we like to call CCR-Connections! We all know that it is crucial to have a network of industry professionals who you can call on for advice and guidance: so here is how to build it, completely free of charge.

- 1, Go to www.CCRMagazine.com and log-in or register, if you have not already done so (see the User Guide ‘Registering for CCRMagazine.com and the Credit Leaders .Network’ for help).
- 2, Make sure that your Profile is up-to-date and as complete as you want it, to make sure people will see who you are (see the User Guide ‘Building and Updating Your Profile’ for help).
- 3, Click on the words ‘Build Your Network Here’ on the right-hand side of the page.

- 4, The members page will open – www.ccrmagazine.com/members/
- 5, Simply click on one (or several) blue ‘Add Friend’ buttons – and the request is sent automatically.

The screenshot shows the CCRMagazine.com members page. At the top, there is a navigation bar with links for CreditLeaders.Network, CCRMagazine, Spotlight, News, Events, Directory, and Contact. The main content area is divided into three columns. The left column contains a 'Get Introduced By CCR' form with fields for the name of the person to be introduced, the reason for introduction, and the user's name. The middle column displays a list of members with their profile pictures, names, and contact information. Each member has a blue 'Add Friend' button. The right column features a search bar, an advertisement for 'Overall site sponsor: LANTERN', and a 'Build Your Network Here' section with a list of recent introductions.

- 6, You will receive a message by e-mail when your new CCR-Connection has been confirmed!
